MRS. E. G. OREAR HONONARY REGENT

D. A. R. MEMBERS HONOR MOST ACTIVE WORKERS

CELEBRATE CENTENNIAL

Club Elects Delegates to State Meeting at Hannibal and Plans Observance Here

Mrs. Ed G. Orear, who has been a very active worker in the Maryville chapter, Daughters of the American Revolution, since its organization here eight years ago, was elected honorary regent for life at the meeting held yesterday afternoon at the home of Mrs. W. O. Garrett. Mrs. Orear and the regent, Miss Mary Q. Evans, were elected delegates to the state meeting to be held in October at Hannibal, Mo. Ten alternates were also chosen.

Another feature of the meeting was the report given by Miss Mary Q. Evans of the Continental Congress of the Daughters of the American Revolution, which was held at Washington, D. C. in April. Miss Evans was assisted by Mrs. Charles T. Bell, Mrs. Dale Bellows and Mrs. G. B. Roseberry.

Miss Evans' report contained various resolutions adopted by the D. A. R. congress and a concise account of the work accomplished at the meeting. Among the resolutions and facts mentioned were that there are 119,000 members of the Daughters of the American Revolution in the United States and that 2,990 new names were approved at the recent congress.

The D. A. R. organization approves the adoption of the "Star Spangled Banner" as the national anthem. It disapproves of any irreverence to the flag and wants uniform punishment in all states for insults to the flag. The Daughters have asked congress to appropriate money for the purpose of building a fire proof archive's building, they approved the Shepherd-Towner Bill and approved various principles in bills now up before the United States Congress. The Walsh bill did not meet with their approval nor any measure which takes national scenery for commercial purposes. Various other phases of the national meeting were included in Miss Evans' report.

Mrs. Ed G. Orear, who was one of the thirty women of the state appointed as member of the state committee to plan a means of celebrating the Missouri Centennial, gave her report of the committee's meeting held in Kansas City recently. Plans were made for its observance at the state conference, which will be held at Hannibal, and at the local meeting held yesterday, the regent appointed a committee to arrange for its observance in Maryville by all patriotic and other organizations here. All historical spots in this vicinity will be marked, as other communities in the state are doing.

At the business meeting, it was decided to hold meetings on the second Thursday in each month instead of the first Saturday as in the past, commencing with October's meeting. Mrs. Orear was also appointed to take charge of the publishing of the year book for the coming year. The officers for last year were approved for the coming year. They are: Miss Mary Q. Evans, regent; Mrs. D. J. Thomas, vice-regent; Miss Olive DeLuce, recording secretary; Miss Orril Helwig, corresponding secretary; Mrs. Ed G. Orear, treasurer; Mrs. C. H. Coe, historian; Mrs. Charles T. Bell, registrar; Mrs. George Wilfley, librarian, and Mrs. W. J. Montgomery, custodian.

Mrs. C. C. Corwin, Miss Mae Corwin, Mrs. H. L. Raines and Miss Kate Willis were the assistant hostesses for yesterday's meeting.

The last meeting for this club year will be held on June 14, at the home of Mrs. Anderson Craig and Mrs. C. H. Coe. Mrs. W. O. Garrett, Mrs. Ed G. Orear, Mrs. Elmer Fraser and Mrs. LeGrand Gann will be assistant hostesses. The program committee will be composed of Miss Mae Corwin, Miss Katherine Helwig and Mrs. C. C. Corwin.

The initiation fee of the D. A. R. organization has been raised from $1 to $5 and the D. A. R. Magazine from $1 to $2.

LEVIES ARE CUT BY SCHOOL BOARD

REDUCED 85 CENTS ON ACCOUNT OF GREATER ASSESSMENT.

TOTAL LEVY IS NOW $1

General Revenue Levies are Cut Down From $1.25 to 80 Cents—Bond Levies 55c to 20c.

The school board at their meeting last night reduced the levy of $1.25, which was voted at the school election this spring, to 80 cents on the $100 assessed valuation. The levies made by the board for this year are:

Teachers' fund, 60 cents; incidental fund, 20 cents; old bond sinking fund, 5 cents; old bond interest fund, 5 cents; new bond interest fund, 10 cents.

The total levy set by the board last night is $1.00. Last year it was $1.85. Several reductions were also made in levies for bond issues, as only $5,000 of the 1908 issue remains yet to be paid off.

The reason for the reduction in the levy is the increase of the assessed valuation of this school district. The state board of equalization increased the assessment of the district from $2,828,119 to $5,569,513, an increase of $2,260,165. It is estimated the new levies will give the board about $9,000 more money for their general revenue fund this year.

The board at their meeting entered into a contract with the Big Creek coal company of Kirksville, Mo., for their coal during the coming year. The price was $4.50 per ton for the fancy lump coal f. o. b. mines. Last year 534 tons of coal were used at the Central school building and the three ward schools.

PHYSICIANS CALL PUBLIC MEETING

TO PROTEST AGAINST MEDICAL BILL RECENTLY PASSED

SAY IT IS "QUACK" LAW

Doctors Will Tell Dangers of the Measure at Courthouse Next Tuesday

A public meeting will be held in Maryville next Tuesday, May 17, at which time representatives of the Buchanan County Medical Society will come to Maryville to speak to the doctors and public on the referendum of Senate Bill 433 lately passed by the legislature and signed by Governor Hyde.

This bill amends the law requiring that applications to practice medicine shall be graduates of reputable schools of medicine by omitting the word "reputable" and substituting therefor the words "some medical college." The bill also further amends the law as to permit an aggrieved applicant to appeal from the decision of the State Board of Medical Examiners to the Circuit Court, which may render judgment in favor of granting a certificate.

The physicians who are urging a referendum say the law will permit a great influx of "quack" doctors and writers of beer and whisky prescriptions.

The meeting will be held at the courthouse at 3 o'clock Tuesday. Dr. C. T. Bell and Dr. R. C. Person compose the committee in charge of the arrangements for the meeting.

The Nodaway County Medical Society in session last evening at the Zero club rooms decided on this meeting and discussed other matters. Dr. T. L. Putman of Shenandoah, Ia., and William Nielsen of the Maryville Drug Co., were visitors at the meeting. Dr. Putman read an interesting paper upon the care and treatment of minor surgical cases. He also discussed the matter of prescribing through the druggist by the physician. Various members of the society entered into the discussion.

The society adjourned to the Merchants Cafe where they were guests of Mr. Nielsen. The members in attendance were H. S. Dowell, F. M. Ryan, R. C. Person, Will Wallis, Jr., E. L. Crowson of Pickering, J. H. Todd, C. T. Bell, L. E. Dean and F. M. Martin.

The state medical society meeting will be held in St. Joseph on May 24,25 and 26. Several of the members are planning to attend the state meeting.

MART CARMICHAEL ASKS COURT FOR BOUNTY ON WOLF CUBS.

Mart Carmichael of near Hopkins was in Maryville today with five cub wolves to try to collect bounty if the county court paid any. Mr. Carmichael found out that the court has not offered any bounty. He has received bounties amounting to $30 from the court at Bedford for six of these animals.

Mr. Carmichael has caught seventeen animals this spring.

SINN FEINERS MAKE DARING EFFORT TO RESCUE LEADERS

Disguised as British Troops, Party Is Leaving Prison When Plot Is Discovered.

Dublin, May 14.—An attempt by daring Sinn Fein leaders to release Arthur Griffith and others failed today. The rescue party, which was dressed in the uniform of British soldiers, thereby allaying the suspicion of prison officials, succeeded in getting into the prison and was escorting the Sinn Fein leaders to freedom when the plot was discovered.

The Sinn Feiners drove to the Mount Joy prison in an armored car, similar to those used by British soldiers, and exhibited proper papers calling for transfer of the imprisoned Sinn Fein leaders and were admitted. They immediately overpowered the guards and were leaving the prison when the Britishers challenged them. They left the prisoners and dashed for the cars. The British guards sent a hail of bullets after the intruders.

MARYVILLE TAKES 3 CUPS AT ALBANY

WINS FIRST IN MEET AND BOTH THE RELAYS.

A 3-CORNERED BATTLE

1½ Points Separated Three Schools That Won Cups in Meet Here.

By a margin of a bare half-point, Maryville high school won the invitation track and field meet at Albany yesterday afternoon after a hotly contested three-cornered battle with the New Hampton and Albany teams.

Only 1½ points separated the three leading squads when the score was tabulated at the end of the meet. Maryville had 34½ points, New Hampton 34, and Albany 33. Maryville also won both the mile and half-mile relays, making a total of three cups to be added to the collection at the high school.

A Battle of Coaches.

Running through the meet like an under current was a battle of wits among the coaches of the three leading schools. That Maryville took first place in the meet is due to the superior strategy of Coach L. E. Ziegler.

The Maryville coach had not decided before he left here whether he would allow his relay men to enter other events, but after arriving at the scene of the meet and looking over the battle ground, "cut loose" was his order.

Preliminaries in the dashes and hurdles were run in the morning. Robey and Barry qualified for the finals in the 100-yard dash, Smith in the high hurdles and Evans in the low sticks. Davenport, remembering his easy victory in the meet here, loafed in the220 yard dash and failed to qualify.

Davenport Wins Quarter.

In the afternoon events, Smith took first in the high hurdles and Evans fourth in the lows. Barry finished third in the century dash and Davenport and Smith took first and second respectively in the quarter. By order of the coach, both loafed along, saving themselves for the relay events. Davenport's time was 56 1-5 seconds, about 3 seconds slower than either man can do the distance when extended. Smith has circled the college track here in 52 3-5 seconds. He merely jogged along with the earnest runners of other schools until within less than one hundred yards from the finish line, when he pulled up from fifth to a position just behind his teammate, the two then left the crowd behind.

Davenport's victory gives him the honor of holding two records, as this was the first meet held at Albany and the time he made there will stand until next year. He is now only one race behind Captain George Smith, the latter having won at Trenton, Liberty and Tarkio.

The Mile Relay

Walter Smith won second in the 880-yard dash, and Roelofson took first in the pole vault. Eaton tied for second in this event and won the medal on the toss. French was fourth in the running broad jump on a leap of 20 feet 2½ inches, and second in the standing broad jump, with Roach fourth.

A clash of wits came in the mile relay, when Albany was Maryville's opponent. The Gentry County coach patently had little hope of winning the event but had entered his men

MANY DEFECTS IN NODAWAY CHILDREN

RESULTS OF SCHOOL EXAMINATIONS ARE STARTLING

HALF ARE UNDERWEIGHT

Diseased Teeth and Tonsils Are Very Common—20 Babies At Clinic Yesterday

Of 655 school children examined last month by Miss Anna Heisler, county Red Cross nurse, only 22 were free from noticeable defects. Diseased tonsils were discovered in 406 instances; 357 children had defective teeth, and 258 were undernourished.

These are the startling figures tabulated by Miss Heisler after examination of the children of thirteen schools in the county. In each visit she was accompanied by a physician who made the examination.

Defective vision was more common in girls than in boys. There were 162 girls whose eyes were not normal and 111 boys, a total of 273 children, or almost half of those examined. Bad teeth and tonsils were very common. More than half had teeth that needed attention, and almost two-thirds had diseased tonsils. There were 180 boys with defective teeth and 177 girls. Tonsil defects were found in 212 girls and 194 boys.

Mouth breathing, due in most cases to adenoids, was found in 117 boys and 100 girls. Faulty hearing was discovered in 94 girls and 84 boys.

Almost half the school children were found to be undernourished. Defective nutrition was noticeable in 144 girls and 114 boys. One-third of them, 57 girls and 44 boys, were more than 10 per cent underweight.

At one school, a child was found to have a dislocated hip. Both Miss Heisler and the examining physician urged that the child be given an examination by a specialist. As a result of other examinations, remediable defects in 539 children were referred to physicians, and dental treatment was urged in 392 cases.

More babies were examined yesterday afternoon at the free clinic at the Public Health Center of the Nodaway County Red Cross than all during month of April. Twenty infants were weighed, measured and tested for various defects by Dr. Vilas Martin, assisted by Miss Heisler and Miss Helen Hankins. Three school children were also examined.

The free clinic is held every Friday at the Red Cross rooms, 119 South Main Street. Any parents may bring their children for free examination and advice. It is especially with regard to under-nourishment that the clinic valuable. Miss Heisler is a trained dietician and the advice given to parents as to feeding is often of great benefit. In cases of defective vision, hearing, teeth, tonsils or the like, the parents are usually urged to call the attention of their family physician to the defects.

Serious defects, other than malnutrition, are less commonly discovered in the baby clinic than in the school examinations, partly because infants are given better care than the children of school age, and partly because it is the more intelligent mothers who bring their children for examination, according to Miss Heisler.

"If mothers are sufficiently interested in their babies to bring them here to get them measured, it is a pretty good sign that they have the intelligence to feed them correctly," says the nurse.

James Carpenter took a number of pictures yesterday at the baby clinic. They will be sent to the state department of health at Jefferson City.

COMMENCEMENT EXERCISES AT HARMONY LAST NIGHT.

Commencement exercises were held at the Harmony church last evening of the graduating class of the Harmony high school. There are two members of the class being Eva Griffey and Mildred Smith. Prof. C. A. Hawkins of the State Teachers College gave the class address and J. N. Alexander, treasurer of the school board, presented the diplomas.

Announce Birth of Daughter.

Mr. and Mrs. David Fogle of Georgetown, Ky., announced the birth of a daughter recently whom they have named Martha Porter Fogle. Mrs. Fogle was formerly Miss Alice Porter and several years ago was a member of the faculty of the Maryville Conservatory of Music.

EXPLOSION AT FORT SILL KILLS 4 ENLISTED MEN

Gun Powder Had Been Ordered Destroyed; Exploded As Officer Went For Match

Oklahoma City, May 14.—As a result of an explosion, investigations are being made today to find the cause of a blast of five hundred pounds of condemned black powder at Fort Sill late yesterday, that killed four enlisted men.

These men were literally blown to pieces. The force of the explosion was felt in Lawton, three miles away. Four men were sent out to destroy the explosive, which had deteriorated, and when a non-commissioned officer started to return to the post for matches to light the fuse, the blast occurred.

BRITISH INDUSTRIAL WAR CONTINUES IN FULL SWING

Renewal of Sabotage Is Reported in Fifeshire Coal Fields—Will Have New Conference

London, May 14.—Industrial warfare growing out of the coal strike continued in full swing today in the Fifeshire coal fields, and a renewal of sabotage is reported. Telephone wires have been cut. Word was received that one hundred fifty miners placed obstructions on the track, held up a train and made the entire crew prisoners.

Premier Lloyd George is expected to call a conference of miners and mine owners about the middle of the week to consider a settlement which will make certain that wages will not fall below an adequate standard of living.

Employees of a power house supplying London County tramways are scheduled to go on a strike at noon today.

AUTHORIZES SENDING OF TROOPS TO MINGO COUNTY

Warfare Continues Between Striking Coal Miners and Forces of Employers

Washington, May 14—Orders have gone forth from Washington today to Major General George Read, commanding the fifth army corps, to send the United States regulars into the battle zone in West Virginia and Kentucky whenever in his judgment they are necessary to preserve law and order. Secretary of War Weeks intimated that the troops will probably be on their way shortly, although he said the matter was up to General Read.

Williamson, W. Va., May 14.—Word just received here says the town of Sprigg is being shot up. Machine guns planted on the mountain sides pouring deadly fire into the town. It is believed that an attempt was being made to prevent concentration of state troops and deputies. Desultory rifle fire continued all night.

The toll of human life in the two days battle is known to be six but reports received here indicate it will probably reach twenty.

OLD HOPKINS RESIDENT DIES AT AGE OF 81 YEARS

Death of George Chamness Was Due to Complication of Diseases—Funeral Tomorrow.

George Chamness, about 81 years of age, died at 7 o'clock this morning at his home in Hopkins. His death was caused by a complication of diseases. Mr. Chamness had lived in Hopkins for many years and is survived by a son, Ed, and three daughters. He was a Civil War veteran.

Funeral services will be held at 2 o'clock tomorrow afternoon at the Hopkins Baptist church and burial will be in the Hopkins cemetery.

F. W. White went to Kansas City this morning on a short business trip.

PROGRAMS CLOSE SUCCESSFUL TERM

PATRONS HAVE BASKET DINNERS AT RURAL SCHOOLS.

WALTER MUTZ NOT TARDY

Wins Honors at Bell Grove for Third Successive Year—60 Attend at Martha Washington.

Two successful terms of school were closed yesterday afternoon, when patrons of the Bell Grove and Martha Washington schools gathered for basket dinners and closing exercises. A large number attended at both places.

Walter Mutz, son of Mr. and Mrs. Guy Mutz, was the honor student for the year at Bell Grove, and was given a prize of $1.00. He was neither tardy nor absent during the term. He was also the honor student last year and the year before.

County Superintendent Bert Cooper made a talk to the Bell Grove patrons on the County Unit Law, and Garland White of the St. Joseph News-Press made a short talk. Miss Hester Deneen was teacher at the school last year and Miss Henrietta Marsing will be the teacher next year. The program given by the students after the dinner was as follows:

LARGEST CIRCULATION IN NODAWAY COUNTY

Pickering

O. G. Null.

Mr. Roland Wray who is traveling for the Dempster Mill Manufacturing Company of Beatrice, Nebraska, spent last Sunday and Monday at home with his family. He left Tuesday for Huron, North Dakota which will be his headquarters for the next two weeks.

J. W. Wiley went to Rochester Minn. on a business trip last Tuesday returning home the last of the week.

Milton Wray, the seven year old son of Mr. and Mrs. Omer Wray, has been sick for a few days with bronchial pneumonia. His condition is thought to be some what improved at this time.

The baccalaureate sermon for the graduating class of the Pickering High School will be preached at the M. E. Church next Sunday at 11 o'clock A. M. by the pastor, Rev. J. V. Hawk. The class address will be given by Rev. W. A. Chapman on the following Friday evening.

A number of persons from here attended the concert given by the Wesleyan Glee Club at Maryville Wednesday evening and all report the concert as one worth attending. Among those who attended were Mr. and Mrs. Marvin Hall, Mr. and Mrs. J. N. Geyer, Mr. and Mrs. O. G. Null, Misses Helen Garten, Virginia Bray, Mary Crowson, Stella Scott, Miriam Geyer and Messrs John Prather and Loren Hackett.

A large crowd attended the play given by the ladies of the Mount Pleasant Farm Club at the Christian Church Friday evening, the house being filled to its utmost capacity before time for the play to begin.

Those taking part in the play were Mrs. John Harrington, Mrs. Joe Farrar, Mrs. Floyd Alexander, Mrs. M. T Morris, Misses Ola and Velma Gray and Hazel Harrington. All performed their parts very creditably and the entertainment was a success in every way. Musical numbers were rendered by Mrs. Orlo Lincoln, Mrs. Alva Lett, Mrs. D. W. Loch, Mrs. C. A. McArthur and the Misses Noakes.

No County Fairs Fund.

The appropriation of $50,000 as "state aid" to county fairs, including grain premiums in no-fair counties was vetoed. This fund was appropriated to the new "State Department of Agriculture" and with the referendum filed against the Agricultural Consolidation Act the "state aid" could not have been legally used. The referendum petitions thus brought indirectly as their first harmful fruit the loss of local state aid to agricultural exhibits.

Mrs. SELCHERT'S DAUGHTER

Was Restored to Health by Lydia E. Pinkham's Vegetable Compound

Horicon, Wis.—"My young daughter had been troubled for several months with backache and a bad feeling in her stomach. When she got to the table to eat she did not want anything, while before she was so hungry she could hardly wait for her dinner. The doctors gave her medicine but it did not help her. One day I was reading a little book of yours which was left on my porch and it reminded me that when I was a young girl I took several bottles of Lydia E. Pinkham's Vegetable Compound. So she went to the drug store and got a bottle and after the second one she could eat and has not had backache since. In all she took six bottles of it. She goes to school and on Saturdays helps with the housework. She is a normal, healthy girl now and we recommend your medicine. You have my permission to publish this letter as a testimonial for the Vegetable Compound."—Mrs. FRANK SELCHERT, 150 Larabee St., Horicon, Wis.

Mothers all over the country have found Lydia E. Pinkham's Vegetable Compound to be a most reliable remedy for such conditions.

FAMOUS DRIVERS IN MONDAY'S RACE

COUNTRY'S BEST PILOTS WILL TRY FOR NEW SPEED RECORDS.

IS MOTORDOM'S CLASSIC

500 Mile Grind on Indianapolis Speedway Has Furnished Many Thrills.

Indianapolis, Ind., May 14.—Gold and glory are the goal of the Ninth Annual 500-mile International Sweepstakes race to be run at the Indianapolis Motor Speedway May 30.

Internationally famous automobile race drivers will try to shatter the records already made on the two and one-half mile brick oval.

Advance seat sales point to the greatest outpouring of race fans in the history of the local course. Last year more than 120,000 persons made the pilgrimage to the "Shrine of Speed," and with the world's greatest race of the year on the bills for Memorial Day, it is believed probable that this year's attendance will exceed even that high figure.

Will this year's victor be able to lower the record for the two and one half mile brick oval, set by Ralph De Palma in 1915—the high speed mark of 89.94 miles an hour? Or lower the second best record, that established last year by the ill-fated Gaston Chevrolet, who finished the 500-mile grind in 5:38:32, at a pace of 88.55 miles an hour? These are questions race fans are asking.

Four big factors will determine the outcome of the 1921 Speedway classic, in the view of speed experts: The driver, the car, luck and the stimulus of the lap prizes.

Chief of these, in the opinion of the experts, is the driver, for head work always wins, barring the other factor bad luck.

The car and the question of lap prizes also go hand in hand. The incentive to win the $100 prize posted for the leader of each of the 200 laps may tempt the drivers to push their cars beyond the limit of endurance of steel and rubber.

The entry list for this year's sweepstakes race, in its infancy, included such internationally famous drivers as Ralph De Palma, Tommy Milton, Dario Resta, Rene Thomas, Howard (Howdy) Wilcox and Ralph Mulford. In the lineup also will be Eddie Hearne, Ira Vail, Jimmy Murphy, Roscoe Sarles, Eddie Pullen, Ed Miller and Andre Boillot. These have already put their names on the dotted line.

To the yearly standing prize of $50,000, distributed among the first ten to finish, with $20,000 going to the victor, will be added $20,000 in lap prizes. This plan was inaugurated last year and it was over this $20,000 pot that Joe Boyer and Ralph De Palma fought so bitterly, making the 1920 classic the best in the history of the Indianapolis track.

Bees Face Emergency.

The fruit bloom nectar is lost and a dangerous wait for white clover must now be endured by the bees. It requires approximately five pounds of honey to raise a pound of bees, or one frame honey to one frame of brood says the entomologists of the Missouri College of Agriculture. To increase in numbers from three or four pounds of bees in early spring which we like to have before the honey flow, takes a minimum, therefore, of 60 to 70 pounds of honey, not including the food consumed by bees which emerge and are removed by death. When in doubt, therefore, feed them extra. The Easter freeze jolted laying queens just as neglect to milk a cow for two days dries up the cow.

REV. R. E. SNODGRASS INVITED TO SPEAK AT STATE CONVENTION

The Rev. R. E. Snodgrass of the First Christian Church has been invited to make an address at the state convention of that church to be held in Jefferson City, June 14-16. THE UNIVERSAL CAR

ABOUT FORDS—SOLID LOGIC.

The Ford car has been fundamentally right from the beginning. That fact made it "The Universal Car." It has always lead in lowest first cost as well as in lowest cost to maintain and operate.

Runabout, Touring Car, Coupe, Sedan, Truck and Fordson Tractor—we have them all and will make reasonably prompt delivery.

Simplicity has ever marked the designing and building of Ford cars, trucks and tractors. Henry Ford and his engineers have always striven for simplicity with strength. The success of the Model "T" Ford car and a great part of the Ford Motor Company's success has come from an early understanding and appreciation of that principle in motor car construction. The fewer the parts in a car, fewer the parts to go wrong. When the simple truth is carried out in producing a car, as it is in Ford cars, trucks and tractors, the result is bound to be a simplicity of design and building that means simplicity, durability and economy of operation.

This simplicity of construction proves itself in the ease with which Ford cars, truck and tractors are driven. Four million five hundred Ford cars in daily service proves every claim we make.

More than ever we are sure the Ford car is your necessity—let's have your order today.

Social Gossip and Clubs

L. I. Club.

The Ladies Intellectual club met Thursday afternoon at the home of Mrs. Ida Morris near Hopkins. The afternoon was spent socially and refreshments were served. The club will be entertained on May 26 at the home of Mrs. L. L. Gillispie. All members are urged to attend the meeting as the election of officers will be held.

Week End Guests.

Mr. and Mrs. Lewis Long, C. Ballinger and Miss Ella Ballinger, all of Shenandoah, Ia., will come to Maryville tonight to visit at the home of Mr. and Mrs. Herbert Wamsley. Mr. and Mrs. Long will return to their home at Shenandoah tomorrow evening, but Mr. Ballinger and Miss Ballinger will remain for a longer visit at the Wamsley home.

Mrs. Martin State President.

Mrs. W. W. Martin of Cape Girardeau was elected president of the Missouri Federation of Women's clubs at the state meeting held at Springfield this week. Mrs. Martin had 123 votes and her opponent, Mrs. Philipps Elliott of Kansas City, 117. The four day campaign is said to be the hardest fight for the presidency in the history of the federation. Mrs. Elliott, who is well known in this vicinity, had the united support of the northwestern section of the state and gained about one-half of the votes of the St. Louis delegation. Mrs. Martin is a well known worker in the Democratic party having taken an active part in the fall campaign. Other state officers elected were: First vice-president, Mrs. C. W. Bleek, Farmington; second vice president, Mrs. Guy Stanton, Lebanon; treasurer, Mrs. R. A. Brown of St. Joseph; recording secretary, Mrs. Harry Durst, Springfield. The newly elected officers were installed last night.

Another important event of the state meeting was the decision made to ask the Missouri legislature to appropriate about $50,000 to help small towns bear the expense of bringing a big symphony orchestra to their community, or to provide a way in which people of rural districts will have the privilege of hearing a good orchestra.

According to reports made the federation now has 306 club. Sixty-seven have been added in the last two years, five new counties are represented in the organization and ten clubs have been dropped from the records. The Missouri federation now represents sixteen thousand women and nearly a hundred varied lines of activities which range from weighing babies to legislative programs.

The reports of district presidents indicated that club women in Missouri were very busy. A favorite report often repeated was "* * * elected two women on the school board." The little theater movement, supporting nurses, Americanization, chautauqua programs, court of domestic relations, near East relief funds, beautifying vacant lots, the pasteurization of milk, library funds, scholarship loan funds and buying glasses for orphans, building memorials to the soldiers of the World War and organizing choral societies are a few of the activities reported by the district president at the meeting.

V. F. W. Dance

Fifty couples attended the dance last night at the W. O. W. hall under the auspices of the Seth Ray David Post, Veterans of Foreign Wars. The proceeds amounted to $52. The feature of the dance was the Chapin's Illinois Orchestra playing with the Dubinsky show, which furnished the music.

Robinson Family Dinner.

Mr. and Mrs. James B. Robinson were hosts at a family dinner last night at their home on West Third Street. Those present were Mrs. W. S. Gray and daughter, Rebecca Ellen, of Santa Barbara, Cal., Mr. and Mrs. Edward W. Gray and daughter, Barbara, Mr. and Mrs. Fred P. Robinson, Dr. and Mrs. Charles T. Bell and son, Charles, Jr., Mrs. T. L. Robinson, Chilton Robinson a student of Drake University at Des Moines, Ia., James and Theodore Robinson and the hosts.

Dinner Guests.

Mr. and Mrs. A. E. Bell will be dinner guests tomorrow of Mr. and Mrs. W. T. Key.

Miss Opal Davidson Weds.

A marriage license was issued in St. Joseph yesterday to Miss Opal M. Davidson and Loren T. Turner, both of Bolckow. Mrs. Turner is the daughter of Mr. and Mrs. L. J. Davidson of Bolckow and was stenographer for County Superintendent of Schools, Bert Cooper for two years. She is also a former student of the Maryville State Teachers College. While in Maryville she made her home with Mr. and Mrs. W. T. Doyle.

To Attend Rebekah Assembly.

Mrs. Marion F. Smith, as the delegate from the Rebekah lodges of Maryville, Pickering, Wilcox and Barnard will attend the Rebekah State Assembly which will be held at Springfield, Mo., next week. Mrs. Smith will be accompanied on the trip by Mrs. O. C. Keasler of Ravenwood. They will leave Monday morning for Springfield. Before she returns, Mrs. Smith will visit at Kansas City and Liberty.

Banquet at Harmony.

A banquet will be held at the Harmony high school tonight in honor of the two graduates, Miss Eva Griffey and Miss Mildred Smith, who now belong to the alumni of the school. The guests will include the graduates of last year, the husbands of the married members, a few friends, and the faculty of this year and last year. The dinner will be served by the juniors who are Doris Griffey, Gladys Parent and Donald Strader, assisted by two sophomore students, Ward Smith and Glen Power.

Eastern Star Meeting.

A meeting of the Rosanna chapter of the Order of Eastern Star was held last night at the hall with twenty members and visitors present. The report of the delegate, Mrs. Gladys Brummitt, who attended the state meeting held at Joplin, Mo., in April, was given. A short program was given followed by a social hour and the serving of refreshments.

Elmo Register.

The grades pupils of the Elmo public school, put on an entertainment last Thursday night at the Opera house that was at once pleasing and entertaining. The Operetta, Snow White, was given by the primary and intermediate rooms, assisted by some from the grammar room, and was well rendered, and gave good satisfaction as was evidenced by the frequent rounds of applause.

Next Week At the Movies

At The Electric

"The Soul of Youth," which comes Monday and Tuesday night, is a drama of the most refreshing type and leaves the spectator in a happy frame of mind after witnessing the thrilling dramatic plot and the wholesome comedy with which the entire film is pervaded.

The story is centered around a boy who grows up in a foundling home, and shows his unhappy life in that institution, where he gains the reputation of being the worst boy in the place, and his subsequent experiences after he departs from the loveless home to make his way in the city streets. The story contains a strong counter-plot of political intrigue, and the boy, after being adopted by Mr. Hamilton, the young, clean-government candidate, puts over the big climax that saves the day for the law and order faction and makes him the hero of the hour.

The cast is one of the largest that has ever been assembled for a screen production and includes not only a number of famous juveniles, but several prominent leading players. Included in the list are Lewis Sargent, who played the title role in "Huckleberry Finn" and who is the center of action in this production; Ernest Butterworth, Clyde Fillmore, Lila Lee, William Collier, Jr., Fred Huntley, Claud Peyton, Betty Schade, and others. Judge Lindsey, the noted Juvenile jurist, and his wife, Mrs. Ben Lindsey, also appear in several important scenes.

On Wednesday night, Charles Ray, the popular star will appear in, "The Coward." Everyone knows Charles Ray in his popular country boy stories and this one should be on par with his other pictures. There will also be a comedy shown Wednesday night in addition to the feature.

Announcement that "Love, Honor and Obey," an S-L production released by Metro, is coming Thursday night, arouses exceptional interest, due to the fact that Eugene Walter, foremost of American dramatists, has herein turned his hand to the screen. He has founded the photoplay upon Charles Neville Buck's successful novel, "The Tyranny of Weakness" whose story, in the hands of the expert craftsman of the theatre, ought to make a notable photoplay.

An all-star cast, including Clair Whitney, Wilda Bennett, Kenneth Harlan, Henry Harmon, George Cowl and E. J. Ratcliffe, is announced for the production. The story deals with a girl who is tricked into marriage and who discovers the deception on her bridal night. She bolts the door of the room against the bridegroom. The power of the situation is heightened by the conflict between the girl's New England conscience and the liberal views of the New York writer, whom she really loves.

"Love, Honor and Obey" was directed by Leander de Cordova; Arthur Martinelli was the cameraman and M. P. Staulcup was responsible for the art interiors.

On Friday night William Duncan will be seen in the next episode of his serial, "Fighting Fate." There will also be a two reel western and two reels of comedy.

The means by which a clever, if prosaic, young man, who loved an adventurous and romantic young widow, rescued her from marrying several other young men who would not have made the romance-seeking young widow happy, is the theme of "Romance and Arabella," a new Select Picture in which Lewis J. Selznick presents Constance Talmadge and Harrison Ford, which will be seen on Saturday night.

Arabella Cadenhouse is beloved by Bill, whom she has known all her life. She does not think that Bill is romantic enough and, while she considers him her best friend, she will not think of marrying him. She says that her second husband must supply her with thrills and romance.

Bill decides to give Arabella a taste of romance—such a taste that she will never want to hear the word mentioned again. He introduces a succession of suitors that fairly make Arabella lose her breath.

Eventually she is treated to such a large dose of disillusionment that her eyes are finally opened and she realizes that Bill is the right man after all.

AT THE EMPIRE.

Lionel Barrymore in a striking screen version of "The Copperhead," the play in which he scored his greatest success on the stage, will be the attraction Monday and Tuesday. The picture is said to have been made on an unusually large scale and to follow closely Augustus Thomas' original story.

The locale is Milliville, Illinois and the action takes place during three periods—that of the Mexican War, just before the Civil War, in 1862, and in 1904. Mr. Barrymore appears as the hero, Milt Shanks, who in his accomplishment of a dangerous and important mission for President Lincoln is obliged to pose as a traitor to his country, is disowned by his own friends and family, and is vindicated only upon his death bed. The story is one of intense dramatic appeal. A whole village was constructed by the Famous Players-Lasky Corporation as the background for the film, and no efforts were spared to make "The Copperhead" a really big photoplay.

William P. Carleton, Doris Rankin, and Richard Carlyle are included in the large cast. The picture, which is a Paramount Arteraft, was directed by Charles Maigne.

Dealing with the theory of mental phenomenon that is declared to have electrified blase audiences of the East, Marshall Neilan's latest production, "Go and Get It," will be the feature attraction Wednesday and Thursday.

"Go and Get It" is a newspaper story in which an energetic team of reporters unearth a mystery of startling nature. Back of the entire mystery plot is the pertinent question of the day: Is the substitution of new human organs practicable so far as the prolongation of life is concerned?

The audience will be mystified and thrilled by the unusual events that line the path of the reporter who is told to "Go and Get It."

The entire plot of "Go and Get It" which will be shown, is based on this scientific phenomenon although the story is a most truthful picture of a newspaper reporter's work.

The title is taken from a quartet of words that strike home in heart of every newspaper man—"Go and Get It."

On Thursday night a new feature will be introduced in addition to the regular program. June Caprice a well known and popular star will be featured in a new serial entitled, "The Sky Ranger." George B. Seitz is playing the opposite role to Miss Caprice.

Those who love a scientific problem, will find food for thought in the invention of a searchlight that can throw a ray so hot that it burns wood, stone, or even steel; or, when its intensifier adds distance to the ray, makes it possible to signal to Mars. Then there is the aeroplane of Dr. Santro, so swift that a trip from New York to Asia is accomplished in a few hours.

Those who love romance will revel in the charm of the love story of the young millionaire who was told by a gypsy fortune teller that he would see a beautiful girl, fall in love with her, and after that very strange things would happen to him. He met the girl! He fell in love with her! He followed her—and strange things did happen!

Those who love thrilling adventure will find it in the kidnapping by aeroplane; the plunge from the plane into a tree; the path of fire caused by searchlight's heat rays; the elevator descending to crush the hero and heroine; the fight on the roof of a skyscraper; the rain of flaming torches; the burning aeroplane, and many other moments of tense excitement.

This Serial will be shown regularly every Thursday in addition to the usual program.

Maurice Tourneur's latest production, "Deep Waters," will be shown Friday and Saturday. The story was adapted from F. Hopkinson Smith's popular novel, "Caleb West, Master Diver," and the scenes are laid on the New England coast.

Caleb West, a man past his prime, and his girl-wife, Betty, are the central figures in the story. Betty becomes attracted to a youth named Bill Lacey, and though she does not love him, they run away together. Later, the ship upon which Lacey is traveling is wrecked and Caleb West brings the body of the young man to the surface. In a dramatic scene the loyalty of Betty to her husband asserts itself and a touching reconciliation takes place between the two.

"Deep Waters" introduces in the leading feminine role Mr. Tourneur's latest "find," Barbara Bedford. Broerken Christians plays the male lead, and others in the cast include Jack Gilbert, Lydia Yeamans Titus, and George Nichols. The picture is a Paramount.

RICHARDSON MAKES TWO COMMENCEMENT ADDRESSES

Says Large Summer Enrollment Is Indicated by Reports From Over District.

President Ira Richardson returned last night from Kansas City, where he spent yesterday on business after delivering the commencement address at Tina High School on Thursday night. Next week he will deliver the commencement address at the Kearney high school on Thursday night, and on the following night he will be toastmaster at a banquet of high school alumni at Mound City.

President Richardson reports much interest over the district in the summer term of the State Teachers College, which opens May 30. Many letters of inquiry have been received, and Dr. W. T. Carrington, field agent for the college, reports that many students are coming.

"I don't like to make predictions," Mr. Richardson said this morning, "but I don't think we will have less than six hundred students enrolled."

The program for the commencement exercises at the college will be announced next week.

Mrs. Anna Day of Colfax, Ia., will visit next week at the home of Marion F. Smith and family. Mrs. Day is the mother of Mrs. Smith.

MARYVILLE TAKES 3 CUPS AT ALBANY

(Continued from page 1)

only to tire the Maryville entries and give Albany a better chance in the other races. The local quartet refused to exert themselves any more than was necessary, however, winning the event in 4 minutes 49 seconds, 12 seconds slower than their best time.

Pushed in Other Relay

In the half-mile relay, the Maryville runners were pushed hard. The Albany entries made French, Barry, Davenport and Smith extend themselves for the first time in the meet. The time was 1 minute 38 1-5 seconds 2-5 second slower than the time in the meet here, and considered an exceptionally good mark for the track on which it was run.

French was announced as the winner in the high jump, but was disqualified later in the meet on complaint of the New Hampton coach, on the ground that the standards had been moved apart so that the pole sagged. French had been taking part in the running broad jump, while two other high jumpers had tied at 5 feet 4 inches and four others at two inches below that mark. French then cleared 5 feet 6 inches.

The decision of the field judges in the high jump subtracted five points from the Maryville total and left the three leaders so closely bunched that the final event, the discus throw, decided the meet. Had either Albany or New Hampton taken first in that event, the championship cup would have gone to them, but a Bethany man made the best record, with Foreman second. The latter's throw put Maryville back in the lead by a half point.

COLLEGE TRACK SQUAD IS PREPARING FOR KIRKSVILLE

Coach Rice Thinks Men Will Make Good Showing at Annual M. I. A. A. Meet.

The track team at the college is beginning a weeks strenuous training in preparation for the M. I. A. A. track and field meet which is to be held at Kirksville next Saturday. According to Coach Rice the men on the squad are showing up well and he hopes to bring home honors for the school. There are some fast men on the team this year and Rice believes that his team can show up well in the conference meet.

According to dope the other schools of the conference also have good material and the chances are that the meet this year will be the fastest in the history of the M. I. A. A. William Jewell has a fast aggregation of track and field athletes, as can be seen by the way she has come out in the dual meets in which she has participated this year. The mainstay of the Jewell team is Dow, a track man who has been showing up exceedingly well in the dashes and middle distance runs.

Donald Williams is perhaps the fastest dash man in the college this year and Runyan and Steiger are also fast. Along with Kirby these three make a relay team which makes fast time. In the field events the college finds it's weakest spot. This year there seemed to be an absence of vaulters, shot putters, and jumpers but Rice has developed fairly good men in these events.

ROCK PORT FAVORS SUNDAY BASEBALL BY 116 MAJORITY

Rock Port had a special election last Tuesday to determine what should be done about the matter of allowing Sunday baseball in Rock Port. The result was a majority of 116 in favor of the great American sport, 287 being cast for and 171 against allowing Sunday games.

A. C. Nicholas went to Craig, Mo. this morning for the day.

CHAMPION AND RUNNER-UP WIN MATCHES AT COLLEGE

Ora May Condon and Wave Hulet Will Be Semi-Finalists in Last Tournament

Both the champion and the runner-up in the first tournament won over their opponents in the second round of the final matches to decide the girls' tennis champion of the State Teachers College yesterday. Ora May Condon, the champion, defeated Hazel Hall, 4-6,6-3, 6-1; and Wave Hulet won from Elizabeth Leet, 6-3, 6-1.

The champion was playing below her usual form in the early part of her match, but she improved in its later stages and in the last set was displaying a dazzling brand of tennis. Miss Hulet had a comparatively easy time disposing of her opponent.

Lucile Bonham won from Margaret Dietz, 6-3, 6-2, in another second round match. Mabel Cook, Mary Condon, Ellen Mitchell and Lethel Gartin are other survivors of the first round who must play each other for the right to play in the semi-finals matches.

ARMY PATROL BOAT BLOWS UP; TWO OF CREW ARE MISSING.

New York, May 14.—Army patrol boat No. 46, an oil burner anchored alongside army pier No. 5 at Hoboken, blew up today and reports stated that two and possibly three members of the crew are missing. Two of the victims were sighted in the cabin, which was wreathed in flames. One man was rescued from the burning deck and two others pulled out of the water where they were blown by the force of the explosion. The trio was rushed to a hospital. Their condition is serious.

LEE STRICKLER, CARTOONIST.

Lee Strickler is the artist who drew the cartoon which appears in "The Call of 551," the bulletin of the First Christian church for this week. It illustrates the ruling by which college students are excluded from being counted in the contest between the Men's Bible classes of the Maryville and Clarinda churches.

"Strick" also drew the illustration for the slide at the moving picture theatres which shows the men of the Maryville class seated at the banquet table, while their Clarinda brethren serve the "eats."
